

Sign up for MyAdventistHealth with self-enrollment

Patients who are 18 years of age or older may self-enroll in the patient portal.

1. Visit MyAdventistHealth.org and click on **Log in to MyAdventistHealth**.

2. Then click **Enroll here** in the lower portion of the login page.

3. Complete the required fields: **First name**, **Last name** and **Date of birth**. Then choose how you want to verify your account. Choose **Email address**, **Personal identifier(s)** or **Text message** and type in that information. Click the check box under **Identity verification** and click **Next**.

A screenshot of the MyAdventistHealth self-enrollment form. The form includes fields for 'First name' (John), 'Last name' (Smith), and 'Date of birth' (January 1, 2001). Below these fields, there are radio buttons for 'Email address', 'Personal Identifier(s)', and 'Text message'. A section for 'Identity verification' has a checked checkbox. At the bottom, there is a CAPTCHA and a green 'Next' button circled in red.

4. Check both boxes for **Identity verification** and **Terms of use**, and then click the **Next, Create Your Account** button.

A screenshot of the 'Patient Match Found' confirmation page. It displays a message: 'Congratulations, your patient information has been verified. The last step to connect with MyAdventistHealth is to create your online account. To proceed, confirm that you are the patient and that you agree to the Terms of Use and Privacy Policy.' Below this, there are two checked checkboxes for 'Identity verification' and 'Terms of use'. A blue button labeled 'Next, Create Your Account' is circled in red.

5. Under **I Need an Account**, enter your email address and select **Sign Up**.

The screenshot shows the Adventist Health login page. The 'I Need an Account' section is circled in red, and a red arrow points to the 'Sign Up' button. The page includes a 'Sign in' button and a 'Forgot Password?' link. Below the login section, there is a CernerHealth logo and a link to 'Enroll here' for users who don't have a MyAdventistHealth account. A note at the bottom suggests turning on 'private browsing' for security.

5. Complete all fields: **First name**, **Last name**, **Email address**, **Gender** and **Date of birth**. Then create a **Username** and **Password** which you will use to access your account in the future. Next, select a **Security question** and enter your **Security answer**. Finally, select the checkbox to **Agree to the terms and conditions** and click the **Create Account** button at the bottom of the screen.

The screenshot shows the 'Create an Account' form. Red arrows point to each field: First name (John), Last name (Smith), Email address (JohnSmith@email.com), Re-enter email address (JohnSmith@email.com), Date of birth (Month: November, Day: 15, Year: 1990), Gender (male), Username (johnsmith1900), Password (masked), Re-enter password (masked), Security question (What was your childhood nickname?), Security answer (Jonny), and the 'Create Account' button at the bottom.

6. Once your account is created, you can begin managing your health online. To log in later, visit **MyAdventistHealth.org**

The screenshot shows the MyAdventistHealth.org dashboard. The top navigation bar includes links for Health Record, Messaging, Appointments, View Results, and Bill Pay. The main content area is divided into several sections: Allergies, Latest Results, Vital Signs, Messages (Unread Message 1 of 1), Appointments (Friday, May 01, 2020), IM Office Visit, and a 'Ready to Serve You' section. The 'Create Account' button from the previous form is circled in red.
