

Thursday, August 25, 2022 Farm to Table(auX) Fundraiser

In support of our operating room expansion, we present the **Farm to Tableaux** event. Our event will include a feast of fresh and seasonal dishes, imaginative productions and performances of *tableaux vivant* (living paintings), silent auction, live auction, Mystère box, and hands on experience of the Da Vinci robot. It will be an event not to miss!

With your support and heartfelt investment, we will be able to continue enhancing the quality and convenience of healthcare close to home. We respectfully request your support of a donation item or gift certificate for our silent/live auction. Your gift will help with our fundraising, as well as entice and engage our guests.

The recent pandemic has highlighted the critically important role that healthcare plays in our community. Throughout the past year, our frontline healthcare heroes have worked tirelessly to keep our friends and families safe in the face of fear and uncertainty. Let's all give back and show that we stand strong with our healthcare heroes and our amazing hospital.

Thank you for your consideration. Please feel free to contact Joyce Erdman if you have any questions. Gift certificates should have an expiration date of December 31, 2023, or later. All donations should be received by July 15, 2022.
