Sign up for MyAdventistHealth with an email invitation

You may request an email invitation to sign up for the MyAdventistHealth patient portal by speaking with the staff at any Adventist Health facility. Here’s how to get started.

1. Open the email invitation from AdventistHealth@iqhealth.com. Check your junk folder if you cannot find the email in your inbox. Then click the blue Activate my account link in the email.

Dear John,

Activate your secure account with MyAdventistHealth and begin managing your health online. With MyAdventistHealth you can pay your bill and view your secure health record including:

- Immunizations
- Medications
- Lab results
- Radiology reports

At some locations, you can also:

- Send secure messages to your care provider
- Request and view appointments
- Receive appointment reminders

Activate my account

You have 60 days to activate your account. If you need assistance setting up your account, please call (877) 621-0214. Support is available 24 hours a day, seven days a week.

Protecting your privacy is a priority. MyAdventistHealth is password protected and uses a secure encryption technology. Only you, your doctor and your care team have access to your personal health information. This email should be kept confidential. Please do not reply to this message as this was sent from an unmonitored email inbox.

Get the latest wellness news from Adventist Health by signing up for our health e-newsletter.

2. On the page that opens, select I am [patient name] to begin managing your own health online, and click Continue.

For more information about managing your family’s health online, visit MyAdventistHealth.org.

3. Then, verify your identity by providing your Date of birth and answering your security question. Then select the check box to agree to the terms of use and privacy policy, and click Next, Create Your Account.
4. Complete all fields: First name, Last name, Email address, Gender and Date of birth. Then create a Username and Password which you will use to access your account in the future. Next, select a Security question and enter your Security answer. Finally, select the checkbox to Agree to the terms and conditions and click the Create Account button at the bottom of the screen.

5. Once your account is created, you can begin managing your health online.

6. To view your account in the future, visit MyAdventistHealth.org and click the Sign in to MyAdventistHealth button on the right. Then enter your username and password to log in.
