

**GENERAL VISITATION GUIDELINES**

- Visiting Hours 11:00 am to 6:00 pm
- **Open Visitation: Two visitors/patient at a time in private rooms.** In semi-private rooms, **ONLY one visitor at a time** for physical distancing.
- **All visitors** must be **at least 18 years old**, healthy, and self-screened for absence of fever and other signs and symptoms of infection prior to entering the building.
- **All visitors** must always wear a well-fitting face mask upon entry and within the facility, unless eating or drinking.
- Once visit is allowed, visitors must go directly to the patient's room & stay there for duration of the visit.
- Signage will be posted at entry points, and all visitors will be advised to self-screen before entry. Visitation should be deferred if any of the following screening criteria are met:
  - Signs and symptoms of COVID-19
  - Confirmed COVID-19 infection
  - Close contact with someone with COVID-19
- **All visitors** must comply with the following Infection Prevention precautions
  - Hand Hygiene
  - Appropriate use of personal protective equipment (PPE) as indicated for patients in isolation
  - Physical distancing
- *Visitation Guidelines are subject to change at any time to protect the safety of our patients, visitors, and caregivers.*
