Donate an Auction Item

Why Your Donation Matters
On Friday, April 20, 2018, approximately 400 highly engaged community members will attend the Adventist Health Simi Valley Foundation’s annual Hats Off to Women, where we will celebrate our inspiring 2018 Woman of the Year!

*Hats Off to Women* is a fundraiser that draws the participation of charitable community leaders who support Adventist Health Simi Valley’s mission to live God’s love by bringing health, wholeness and hope to our communities. All proceeds will help fund our new catheterization lab, bringing much needed services to our community.

Expanded Silent Auction + Electronic Check Out
This year we are featuring a health and wellness section in place of our previous section for boutique shopping. The health and wellness section will provide education and free gifts to our guests but will not involve shopping. We believe this will enhance the attention given to our auction items. Which means your donation will get more attention and can help people learn more about your business. Also – we will utilize an electronic system to improve how quickly people can bid and close out their account when they win your donation!

How to Donate
Use the included Auction form to identify your gift, describe it’s value and your business. Please return the form to us via mail or by email:
- 2975 N. Sycamore, Simi Valley, CA 93065
- AHSVF@ah.org

Auction items provide a significant portion of our proceeds and you can be sure that your investment will be appreciated and improve lives.

Questions? Call Dede Anderson at (805) 955-6670.

Thank you for your support!
Yes! I want to promote my business and give to a worthy cause!
