

We Are Now **Cashless**

As part of our transition to Epic, our new electronic health record system, and our commitment to improving security, Adventist Health Feather River clinics and other care locations no longer accept in-person payments by cash or check.

You can pay your bill through our new online patient portal, **MyChart**, or by using a credit card, debit card, Apple Pay, or Google Pay.

Check payments can be mailed to the address on your statement.

Your access to care, appointments, providers, and services will not be affected by this change.
