

We Are Now Cashless

As part of our transition to Epic, our new electronic health record system, and our commitment to improving security, most Adventist Health clinics and other care locations no longer accept in-person payments by cash or check.

You can pay your bill through our new online patient portal, **MyChart**, or by using a credit card, debit card, Apple Pay, or Google Pay. Checks can be mailed to the address included on your statement.

Cash and check payments will continue to be accepted only at these designated locations:
