Adventist Health – (AH) will take reasonable steps to ensure that persons requiring language assistance services (such as oral language assistance or written translation) and who have Limited English Proficiency (LEP) will have meaningful access and an equal opportunity to participate and understand services, activities, programs and other benefits involving medical conditions and treatment.

Assistance will be offered for the communication of information contained in vital documents, including but not limited to, waivers of rights, consent to treatment forms, financial and insurance benefit forms, etc. All interpreters, translators and other aids needed to comply with this policy shall be provided without cost to individuals who are hearing, speech, and visually impaired.
