## Employee giving frequently asked questions

### **Why does Adventist Health Ukiah Valley need associate support?**

When staff and faculty members donate, we gain much more than dollars raised toward our fundraising goal. Associates who contribute demonstrate to everyone that the hospital and the mission MATTER, especially to those who carry it out every day. When we stand behind Adventist Health Ukiah Valley, we send a powerful message to others.

### **How much should I give?**

Giving is entirely optional and voluntary. We ask that you consider a gift of one hour per pay period by joining the Hour Club. Please know that every gift matters. A strong rate of participation is our ultimate goal.

### **How does payroll deduction work?**

Payroll deduction is an easy way to make a gift. When you enroll in payroll deduction, your gift is automatically deducted from your paycheck in the amount and timeframe you specify.

### **Can I support Adventist Health Ukiah Valley with a gift from my estate?**

Yes, associates are invited to remember Adventist Health Ukiah Valley in their estate plans. Including Adventist Health Ukiah Valley as a charitable beneficiary of your will or trust is a simple, yet powerful, way to invest in the future of the hospital and our community.
