Our Mission:

Our mission is to inspire health, wholeness, and hope while creating and sustaining philanthropic relationships. With our donors as partners, we are committed to supporting Adventist Health White Memorial's programs and services, which improve and enhance the quality of life in our community.

A Message to You from Our Foundation President

As we begin 2026, I want to personally thank you for your generosity and compassion. Your support fuels everything we do at the Adventist Health White Memorial Charitable Foundation, and it could not be more needed than it is now.

Guided by our **Community Health Needs Assessment (CHNA)**, we are entering this year with clear priorities: expanding access to care, strengthening mental and physical well-being, and addressing the social barriers that prevent too many families from living healthy, full lives. These needs are urgent, and they are real for our neighbors across East Los Angeles, Boyle Heights and Montebello.

Your partnership is a critical force in our ability to respond to urgent community health needs. Through your sponsorship, you help sustain a culture of generosity and excellence that extend well beyond our hospital walls and expands the ability of our physicians, nurses, and volunteers to improve our community.

That spirit shines brightest when our community comes together through our special events, programs, and partnerships that make a big impact. Your support not only makes these moments possible, but it also invites others to join this shared mission of healing and wholeness.

As we look ahead, I invite you to continue this journey with us. Your partnership is essential to ensuring that every person who turns to Adventist Health White Memorial has a chance at a healthier future. Take a look at our 2026 calendar of events and menu of opportunities that we have created for you. I would be honored to have you join us in celebrating our community with purpose.

Thank you once again for your generosity. We look forward to seeing you at our events and celebrating all that we can achieve together.

With much gratitude,

A handwritten signature in black ink, reading "Juan De La Cruz".

Juan De La Cruz, M.Ed.

President, Adventist Health White Memorial Foundation |

Why Your Support Matters

Thanks to the generosity of our donors and community leaders, we have the privilege of supporting the groundbreaking and life-changing work of Adventist Health White Memorial Los Angeles and Montebello.
